And why not combine the function with a game of golf beforehand – we can make all the arrangements. We have carts and clubs for hire.

Think of canapés such as scallops on the half shell with French Vietnamese lentils or panko crumbed prawns. For the main course consider the elegant oven baked salmon with pesto and lemon herb crust or slow roasted shoulder of lamb. Desserts? Think mini trifles, chocolate marquis, fresh local strawberries.

Or select one of our splendid traditional country style menus inspired by Italy, France, Greece, Asia and country Australia.
